Parol in full sign!

NOTE: Unfortunately, I have no bill from Dr. L.HANTSOU for the four office visits in Jan - Mar 1970. He went out of private practice and promised to send me a statement about these visits, but I never got it. He had treated me against the pernicious anemia for years.

One more bill is missing, from Dr. S.DIDNER, for the services rendered on Nov. 24. I have mislaid it somewhere and can not find it now.

If necessary, then I would contact the doctors again and ask for these statements, but I hate to trouble these good doctors if the matter could be settled without this.

Thank you for consideration!
